

September 2019

SA AORN celebrates the Surgical Technologist from September 15 - September 21. They are truly our partners in the surgical suite. By providing their service, our patients can be assured that they are receiving the best care possible. Thank-you, for all that you do.

At the AORN Global Surgical Conference and Expo held in April 2019, we would like to recognize two of our very own members Herb Laing and David Taylor. Herb Laing was selected and honored for his service to our local chapter as well as his work nationally with AORN. Herb was awarded the 2019 Outstanding Nurse Philanthropist Award. Also, we recognize David Taylor, David won and will serve the Nominating Committee for two years, at the national level. SA AORN is very proud to have these members of our organization represent the city as well as on the national stage. Please extend your congratulations when you see them.

Feeding the homeless is and has been a personal mission for long time chapter member Ellen Ott. Ellen has organized this event since the inception and is very dedicated to this calling. SA AORN joins Ellen every month that has a 5th Sunday.

Under the Bridge: Feeding the Homeless  
Location: 9th street and Austin Street, San Antonio 78202

Join SA AORN on:                    September 29, 2019

Thanks Ellen.

Become a volunteer for SA AORN, when you volunteer you are eligible for points that can go towards becoming a delegate/ representative at the AORN Global Surgical Conference and Expo held in Anaheim, CA in 2020. Volunteering is one way to get financial support to attend this very important conference. If interested please speak with anyone serving as an Officer or Board member we will be happy to speak with you.

Next Meeting: October 14, 2019
